#NEXT GENERATION SHAPES THE EU'S DIGITAL SOCIETY

AI Kick-Off Meeting

The first face to face meeting of the #NEXT project took place on 08.07.2022, in Hoffmanowej 19, Rzeszów, Poland. Hosting organization was Stowarzyszenie Centrum Wspierania Edukacji i Przedsiębiorczości (CWEP) and all partners joined the meeting physically, SOCIATIA SCOUT SOCIETY, DEX INNOVATION CENTRE, bit Schulungscenter GmbH, Eurasia research and development LTd. co., Fthia in action. During the first meeting all organizations had the opportunity to introduce their organizations to the partners.

AI Furthermore, partners reviewed all together the project results and made necessary division of tasks among them according to each partner's expertise for the best outcomes. Also, management issues were discussed such as financial management to keep a track of the project.

EURASIA INSTITUTE | FTHIA IN ACTION | bit schulungscente member of bit group | CWEP Centrum Wspierania Edukacji i Przedsiębiorczości | DEX innovation centre | Scout Society

The kick-off meeting was mainly focused on the first project results such as project result 1:Documentary and project result 2: Curriculum. During the project an AI Documentary will be produced in promoting AI, a motivational video for leading the society in understanding what AI is, what AI can do now, and what AI will do in the future. Also, a curriculum on improving young people's critical thinking, problem-solving, and decision-making skills on building trust AI will be developed.The third step is developing a toolkit for trainers. Lastly, an eLearning platform will be created in order to reach the target group's needs providing them learning aspects through the PR2.

MAIN GOALS

TO RAISE AWARENESS OF THE IMPORTANCE OF AI IN SOCIAL, POLITICAL, AND WORKING LIFE IN THE EU SOCIETY.

TO GIVE A VOICE TO YOUNG PEOPLE ON HOW TO SHAPE AI'S NORMS IN DEVELOPING BETTER AI REGULATIONS, POLICIES, RULES, AND LEGISLATION IN THE EU.

TO INCREASE THE CRITICAL THINKING, CREATIVITY, AND DECISION-MAKING SKILLS OF YOUNG PEOPLE (18-30) AND YOUTH WORKERS.
