Transnational Project Meeting in Graz, Austria - September 27-28, 2023

The transnational project meeting held in Graz, Austria, on September 27-28, 2023, brought together project partners for two days of collaborative discussions. The event was hosted by Bit Schulungscenter and proved to be a significant milestone in our project's development.

The meeting revolved around project documentation, with the PR1 documentary as a central focus. Partners engaged in an extensive review process, providing valuable feedback and suggestions to enhance the document's quality. The collective aim was to create a comprehensive document that effectively conveys the project's mission, goals, and outcomes.

FURTHERMORE, THE MEETING PROVIDED A PLATFORM FOR PARTNERS TO EXCHANGE INSIGHTS ON VARIOUS PROJECT RESULTS. THIS OPEN DIALOGUE SIGNIFICANTLY IMPROVED THE UNDERSTANDING OF THE PROJECT'S PROGRESS, ENSURING THAT ALL PARTNERS REMAINED WELL-INFORMED ABOUT THE STATUS OF DIFFERENT PROJECT COMPONENTS.

#NEXT GENERATION SHAPES THE EU'S DIGITAL SOCIETY

The meeting concluded with a strong sense of collaboration, reaffirming the shared commitment to the project's success. The exchange of ideas and insights further strengthened unity and purpose within the partnership.

In an exciting and hands-on segment of the meeting, partners had the opportunity to try the Thinkific course they are actively developing. This hands-on experience allowed partners to gauge the course's user-friendliness and effectiveness, providing immediate feedback for improvements.

E Learning

A pivotal discussion during the meeting revolved around enhancing the project website. Partners deliberated on the necessary improvements to make the website more informative, user-friendly, and engaging. The collaborative effort was aimed at ensuring that the project's online presence effectively communicates its objectives, achievements, and resources.

This dynamic meeting in Graz not only addressed project documentation and collaboration but also offered partners a deeper connection with the project's objectives.

The meeting concluded with a strong sense of collaboration, reaffirming the shared commitment to the project's success. The exchange of ideas and insights further strengthened unity and purpose within the partnership.
